

ANGAMA MARA

Our direct access to the Mara

ENTERING THE MARA TRIANGLE FROM ANGAMA MARA COULD NOT BE EASIER - OUR GUESTS USE THE EXCLUSIVE ACCESS ROAD WHICH TAKES THEM STRAIGHT DOWN FROM THE LODGE DIRECTLY INTO THE RESERVE.

From June 2016, Angama Mara welcomed KAPS ticketing officials onto our property enabling the issuing of Mara Park fees for our guests directly at the lodge. These tickets are then checked at the boom which separates Angama Mara and the Mara Triangle. Happily for guests staying at Angama Mara there is no more waiting in queues at the Oloololo Gate.

10 short minutes after leaving the lodge, Angama Mara guests are through the boom at the top of the escarpment, and are immediately on safari, viewing fantastic game on the way down to the main road of the Mara Triangle.

TIMINGS AND DISTANCES:**

- It's 2.5kms and a 10 minute drive from both Angama Mara's North and South Camps to the Mara boom which borders the Mara Triangle
- From the boom to the Mara Triangle's main road is 2.3 kms, of which 500m is at a fairly steep incline/decline
- It is 7.5kms from Kichwa Airstrip to the Mara boom through which guests enter Angama Mara's property. This distance can be driven in 25 minutes at a leisurely pace
- It is 10kms between Kichwa Airstrip and Angama Mara's camps, which can be driven in 35 - 40 minutes at a leisurely pace

*** Please consider that our guests are on safari 10 mins after leaving camp, and the time it takes to get down the escarpment is dependent on what animals or birds are being viewed along the way.*
