

ANGAMA

Meet-and-Greet Service

AT JOMO KENYATTA INTERNATIONAL AIRPORT

Angama Travel is delighted to offer a bespoke meet-and-greet service at Nairobi's Jomo Kenyatta International Airport, providing travellers with the perfect start to their safari. The service, on a par with diplomatic meet-and-greet standards, is discreet and seamless.

You will be met airside as you enter the terminal building. From here, you will be escorted to the front of the queue at the diplomatic immigration counter where formalities are finalised. The host will accompany you to the luggage carousel, assist with your bags and escort you through customs. The host is in constant contact with our City Guide who will be waiting to collect you curbside.

After arriving at a busy airport off of a long-haul flight, this service is the ideal way to begin your safari.
