# Angama Safari Camp 2025

## February and March 2025 Offer

Due to the popular demand during Peak Season 2024 for Angama Safari Camp to be available on a FIT basis, we are excited to announce a new offer that includes the Camp on a per person per night rate in February and March 2025.

With a minimum two-night stay at Angama Mara enjoying all that the lodge has to offer, guests then have the opportunity to take advantage of a special rate: \$950 pppn for Safari Camp, disconnecting from the world to reconnect with nature in the heart of the Mara Triangle. For bookings, please reach out to [reservations@angama.com](mailto:reservations@angama.com).

*Please note: This is a special offer with a discounted rate; as such Angama's combination offer of an additional 5% margin does not apply.*
