

ANGAMA MARA

Perched on the edge of the Great Rift Valley, Angama Mara overlooks the lovely Mara Triangle.

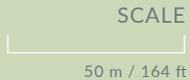

The lodge is divided into two adjacent camps of just 15 Tented Suites each. The Suites are all identical, each with wonderful views of the Mara below. Each camp has its own Guest Area and team of hospitality staff.

Between the two camps, and within easy walking distance of all the Tented Suites, is the Pavilion. Here guests may enjoy use of the Swimming Pool, the Fitness Room, the Photographic Studio, the Map Room, the Safari Shop and the Beading Studio.

Access from the lodge to the Reserve is a 20 minute drive directly down into all the game viewing action.
